

2013 DSSP Pledge Form

I, _____, understand that generosity is my positive thinking. My generosity thinking is the root of abundance and it not only creates good merit for me, it also helps all beings. Therefore, I joyfully pledge my financial support to Dzogchen Shri Singha of Portland in the amount of \$ _____ per quarter.

This is my promise, my commitment. I do it willingly. For the true happiness of all beings, I will swiftly become Buddha in this very life. Therefore I joyfully dedicate all merit for every being to become Unsurpassable Enlightenment. May all my dedications be pure like the wisdom of Manjushri. May all my dedications be fulfilled like the aspirations of Samantabhadra.
